Program you are withdrawing from:

UMD-Winter: United Kingdom — Documentary Filmmaking in London (COMM/CI

Reason for withdrawal:

I am requesting to withdraw from the study abroad program because of my family's changing financial situation. My parents are going through a divorce, and my mother works as a teacher's assistant while also working two jobs to support our family. She is also having to pay for lawyers and other expenses related to the divorce, making it difficult for my family to afford additional costs. I am unable to afford the program myself, and I rely on my financial aid refund to pay my rent. Since the study abroad charges would be added to my student account, they could reduce my refund and put my housing at risk. I cannot

With my signature below, I officially submit my withdrawal from the above study abroad program. I understand the withdrawal policy states I am responsible for charges to my UMD student account, whether paid or unpaid at the time of withdrawal, as well as any withdrawal charges. By submitting this form, I understand that my registration and insurance will be cancelled.
